Dr. Bernard W. Tonken Will Be P.C. Candidate

Dr. Bernard W. Tonken, 28-year-old veterinary surgeon of Vulcan, will be the Progressive Conservative candidate in Little Bow constituency in the provincial election expected to be held next spring.

At a well attended nominating convention held in Vulcan last Thursday, Dr. Tonken was elected as candidate when the chairman of the meeting, Henry Linstedt of Lemond, cast the deciding vote in his favor when the second balloting resulted in a tie of 50 votes for Dr. Tonken and 50 for Douglas H. Galbraith. A third nominee, Frank G. Burgess of Carmangay, had been eliminated on the first ballot which gave him 20 votes to Tonken's 50 and Galbraith's 42.

Present at the meeting were Dr. Lawrence E. Kindt of Nanton, M.P. for Macleod federal riding and Les Toone of Claresholm, newly named P.C. candidate for the Claresholm-Macleod provincial constituency.

Dr. Kindt spoke of his work at Ottawa on the agricultural, mines and forests and oil and gas committees.

Main speaker of the evening was W. J. C. Kirby of Red Deer, provincial Progressive Conservative leader. The P.C.'s were a young,

W. J. C. KIRBY

vigorous party and were prepared to take over from the Social Credit government which, he said, "has been in power too long and has outlived its usefulness." The cabinet ministers are self-satisfied and arrogant, said Mr. Kirby, and the members have lost touch with the people — just as the Liberals did federally.

The Social Credit five-year plan is five years too late, the PC leader claimed. These projects should have been undertaken years ago and many of them were advocated by members of the opposition long before the five-year plan was announced.

Provincial debt may be down, he said, but municipal debt has gone up at an alarming rate and the people who pay provincial taxes are the same people who have to pay municipal taxes. Educational costs are an ever-increasing burden, he said, and yet educational standards in Alberta have steadily deteriorated under the Social Credit government.

If elected, the Progressive Conservatives will give greater aid to municipalities, will overhaul the educational system and will give greater aid to establish young farmers on the land, he stated.

lan of Vulcan, and the patchwork quilt was won by Mrs. Wayne Scobie of Calgary. The president of the W.I., Mrs. Joe Main thanked everyone for making the draw a success and special mention was given to Mr. and Mrs. Walter Frielkelton for displaying the doll and quilt in their drug store window and selling tickets to ones who desired them.

Lunch was served by the Kirkcaldy W.I. members.

Most of us are beginning to learn that the cost of experience has gone up like everything else.

Living today is a game of robbing Peter to pay Paul in order to make it possible to stand pat.

It's possible that a college education doesn't always pay, but that doesn't release Pop from his financial obligation.

After singing a number of carols Mrs. Schierman spoke briefly on the "Middle East", pointing out that at this time of the year the land of Palestine is uppermost in the minds of people. Mrs. C. Budd, Mrs. N. Lebsack and Mrs. E. McIntyre presented a playlet, "Jesus, Who is He?" Mrs. W. Becker read the poem, "If Jesus Were Here Today," and Mrs. J. Schierman, "My Gift of a Loving Heart." Mrs. G. F. Wuerfel sang, "Oh Holy Night." Mrs. A. Schierman read, "I Came to Pass."

Mrs. C. Budd chaired the business meeting. The roll call was answered with a Bible verse containing the word "Son." Instead of exchanging Christmas gifts each lady made a donation towards a "Treat Fund" for the Bethany Home at Wetaskiwin, \$13.70 was received. A donation of \$21.50 was made for supplying furniture for a school in Nigeria.

It was reported that Christmas parcels had been sent to Africa and Haiti. Also several boxes of used clothing had been sent to Korea. A carload of foodstuffs, clothing and quilts was taken to the orphanage at Wetaskiwin. Those having made the trip reported that the home was in need of many things, but especially meat, and that any donations would be welcome. Friendship cards were signed by those present and are to be sent to Georgina McDonald, Santa Cruz, A. Adams, India, and the Ron Elliasons.

The next meeting will be held with Mrs. N. Lebsack in charge of at the home of Mrs. H. Lebsack.

Holm - Earl Rites At St. Andrew's

An altar banked with white and yellow mums provided the setting for a late fall wedding in St. Andrew's Catholic Church, Vulcan on Saturday, Nov. 8, when Frances Victoria, daughter of Mr. and Mrs. Victor Earl, exchanged vows and rings with John Andrew Holm of Calgary. Father Cahill officiated at the ceremony.

The bride, who was given in marriage by her father, wore a traditional floor-length gown of white nylon net and lace over satin featuring lily-point sleeves. Seed pearls and sequins adorned the bodice and the matching headpiece which held in place a chapel length veil. She carried a white prayer book mounted with red roses and streamers caught with red rosettes and wore clustered pearl earrings, a gift of the groom.

The bride's attendants were Miss Irene Earl, sister of the bride, as maid of honor and Eleanor McIntyre, cousin of the bride, as flower girl. Miss Earl chose a gown of yellow nylon net over taffeta, accented by matching accessories and a cascade of bronze mums. The flower girl wore a rose nylon dress with matching floral head-

piece and carried a pastel nosegay. Don Priddle of Calgary attended the groom as best man and guests were ushered by Ed Bagynka of Calgary and Dale Clark of Vulcan.

The wedding music was provided by Miss Rita Callaghan and Mrs. Joyce Gass sang during the signing of the register.

Following the ceremony, a reception for 85 guests was held in the IOOF Hall. Receiving with the bride couple were the parents of each. Mrs. Earl chose for her daughter's wedding a black and white dress with which she wore red accessories. Mrs. Holm wore a two-piece blue dress with black accessories and each complemented her ensemble with a corsage of red carnations.

Norman Earl, uncle of the bride, proposed the toast to the bride to which the groom fittingly responded. Father Cahill then addressed the gathering.

For a honeymoon trip to Great Falls and other U.S. points, the bride changed to a navy and white chemise dress with which she wore matching accessories and a corsage of red roses.

The young couple are making their home in Calgary.

SERVICE BOARD NOTES

By H. S. Burns

season progresses. The 1958 vaccination program is further advanced at this time than at the same time in any year since the restricted area was established, and this in spite of the fact that there has been far more movement of cattle, due to the higher prices prevailing this fall. The mechanics of conducting a complete vaccination coverage annually are considerable, and those of us who are associated with it appreciate the very good co-operation received from practically all of the farmers and stockmen.

Looking at the calendar, this will probably be the last issue of our "Notes" before Christmas, we would therefore like to extend our best wishes to everyone with whom it has been our pleasure to have associated with over the past year.

The problems of the farmer have not diminished in the past twelve months, but, as has been expressed in some quarters, the threatened railway strike may have the effect of providing the opportunity of a review of the freight rate structure, which should work out to be of some benefit to western Canada. But to get back to our local problems, 1958 has been a particularly favorable one for weed production, not the least of which were thistles and wild oats.

The Brucellosis program is accepted more co-operatively as each

CARMANGAY

Mr. and Mrs. Walter Neilson left Thursday for Arizona where they will spend the winter months. Mr. and Mrs. Fred Smith will be living in their home while they are away.

Mr. and Mrs. Earl Dawson and family left for Toronto having spent the last two weeks visiting with Rev. and Mrs. Peter Dawson. Congratulations to Mr. and Mrs. Glen Church on the birth of a son last week in the local hospital.

Word was received here of the death of an old-timer, Gardo Gaele, last week.

The Carmangay students of Grades 7 and 8 spent the day touring interesting places in Lethbridge on Friday. The students were driven in cars by one of their parents who also covered the town with them. Places visited through the day were Purity Dairy, Broders Canning Co., Lethbridge Herald, Jeffries Concrete Products, TV Station, McGavin Bakery and Slick's Brewery. The highlight of the day was the visit to the TV Station where the students and teachers were interviewed.

The Lions Club of Carmangay are offering prizes for the best decorated dwelling in town and one in the county this year. Let everyone join in and help to decorate our town.

Community Shower

A Community Shower was held in honor of Mrs. John Pracken (nee Joan Rogers) last Monday evening. After a very enjoyable program the gifts were presented by Glenda Coombs and Coleen Coe.

Those assisting the bride with the opening of her gifts were Mrs. Doreen Miller, Mrs. Emma Smith and Mrs. Szekely.

A delicious lunch was served by the hostesses.

Home and School Association

The Carmangay Home and School Association held its regular meeting on Thursday, Dec. 11, with about forty in attendance.

It was decided to accept Mrs. MacFarland's offer to direct a play and the members agreed to assist her in any way possible.

After a short business meeting the program committee took charge and conducted a very enjoyable Christmas party.

A very lovely lunch was served by the lunch committee on Christmas. Santa Claus appeared during the singing of Christmas carols, bringing gifts to all and concluding a very pleasant evening.

Teen-Talk

The C.H.S. Review, senior Students' Union school paper, has started its printing presses. The paper will be issued on Dec. 23. Committees on this paper are as follows: Editor, Anne West; her assistants, Loree Hauser and Bruce Smith; art committee, Carol McGinnis; chairman, Andy Szoetz; her assistants, Myrna Hubka and Gayl McFarland; social editor, Leona Lazzo; sports editors, Gary White and Judy Dahl; humorists, Sharlyn Houde and Stewart Taylor; business manager, Scott Bond; his assistant, Catherine West, and staff advisor, Mr. Paulson. Make sure you get a copy of the C.H.S. Review on Dec. 23.

A successful McLean Hunter Campaign has come to a close with Blaise Szekely, Andy Szoetz, Sharlyn Houde and Brian Hubka winning the high salesman awards. Basketball has gone fairly well as a whole, with the boys winning four out of four games and the girls unfortunately not winning any of their four games.

The annual meeting was held. The modern theory seems to be that a dollar saved is just a good time lost.

Men who are industrious, sincere and honest will have easy sledding on their way to success.

A couple of weeks ago it was mentioned that among the residents having the power in their home was Mr. and Mrs. Eddie Stukhart. This was an error; it is Mr. and Mrs. Adam Stukhart who are having the power in. Eddie is still a happy bachelor.

Calgary visitors during the past week have been Mr. and Mrs. Lewis Greaves and Mrs. Sutherland.

Mr. and Mrs. Bert Clemmons and Ricky were Sunday supper guests at the home of Mr. and Mrs. Floyd Armstrong.

Mrs. Lawrence Smith spent a few days in Calgary staying with her mother-in-law, Mrs. Anne Smith who had just been released from hospital. Best wishes for a speedy recovery go to Mrs. A. Smith.

Mr. and Mrs. Hugh Winch and family were visitors to Brooks on Friday, accompanying them was Mrs. Bruce Henry, their daughter, who also did some Christmas shopping in the EID town.

Aubrey Gore is home from hospital convalescing from his recent operation. Get well wishes are sent his way.

Mrs. George Heather accompanied her son-in-law and daughter, Mr. and Mrs. Lloyd Jacobson, of Enchant to Edmonton on Sunday. Mrs. Heather will visit her sister, Mrs. H. Orsten, while Mr. and Mrs. Jacobson will attend the FUA and FWUA conventions.

Lewis Greaves and Alfred Vinjie went to High River on Wednesday to attend a hereford cattle sale.

John Bartsch was in Calgary this week and while there attended meeting of the Aberdeen-Angus Cattle Breeders Association. He was elected president of the association for this year.

Liberty Gun Club

A meeting of the Liberty Gun Club was held in the Community Centre on Saturday evening.

The main item of business was whether the traps and equipment should be moved to Lake MacGregor. A lively discussion ensued and the chief advantage put forward for moving was that in summer many residents of the district surrounding Milo spent a great deal of time at the lake and therefore the traps would be more of an asset to the district, however in the end the resolution was voted no, so for the time being the club will remain at Liberty.

Election of officers also was

held and the following will serve for the coming year: President, Bill Beckner; vice-president, Alfred Vinjie; secretary-treasurer, Bob Scott; and traps manager, Bert Clemmons. It was also decided to pay half the cost of putting Calgary power into the hall.

A card party that followed the gun club meeting resulted in the following prize winners: Ladies' high, Sandy Henry (playing lady); ladies' low, Mrs. Bartsch; men's high, Bobby Scott; men's low, Bill Holly. Bill Holly is employed by Bob Scott. The sum of \$20 was raised to go towards the expenses of the Christmas concert to be held on Dec. 20, in Liberty.

The youngsters will present a concert and Santa will be there to hand out treats. Lunch will be served at the close of the evening.

Liberty Community Association

A special meeting of the Liberty Community Association was called at the weekend to discuss whether to have Calgary power put into the hall. After quite a bit of discussion it was decided to go ahead with the project.

It was suggested that the president, Junior Bertschy; and the secretary, Bruce Henry, contact the electrician and arrange to have the wiring done with some assistance from members who can help with this work. Bill Beckner offered to haul the poles from Okotoks and there will be a bee among the members to dig the holes and set poles as the power wiring crews are expected to be in the district this week stringing wire for the north residents; the hope was expressed that power would be in for the concert.

On Wednesday a bee to dig holes and set poles for the installation of Calgary power in Liberty was organized but a rather bad accident marred the good fellowship associated with such projects.

Bill Beckner had hauled the poles from Okotoks on a trailer and some of the workers jumped on to ride with the load to where the poles were to be set.

One fellow, Tom Moline, who works for Gilbert Voors was standing up and as the truck started he was thrown off balance and was knocked down. As he fell he also pushed Colin Campbell off the trailer. Colin rolled clear of the wheels, but Tom rolled underneath the rear wheels. He was dragged for some distance as it was not until the wheels passed over him that the truck driver, Gilbert Voors realized something was wrong.

The ambulance was called from Vulcan and x-rays revealed a fractured back. Although paralyzed when taken to hospital the paralysis was gone the next day and Tom was out of bed however on Friday he was taken to Calgary as paralysis had once more settled in his right leg. So far there is no report of the x-rays in Calgary. It is the sincere hope of all that Tom will make a complete recovery.

miserable day of the bazaar, the affair was quite successful as everything but a few aprons were sold. The treasurer reported the sum of \$176 cleared for the bazaar. The sum of \$100 was voted to the church board; \$10 to the Sunday School; \$10 to a student fund in Calgary, and it was also voted to lay the local's share of the taxes on the manse. Mrs. Thompson reported that she, Mrs. Jack Deitz, Mrs. Bob Deitz and Mrs. McSchaub had decided to keep the church ready for services for the winter months and that in spring other arrangements would likely be made to take over these duties.

It was announced that there would be a Christmas service in the church on Dec. 21, in the morning and that there would be a special session for the children when Christmas bags would be handed out. Mrs. Schaub and Mrs. Thompson will see to the purchase of the candies, etc. Pastor Foster conducted the devotional continuing with the study outlined for this year. A number of the articles left from the bazaar and others turned in that day, were sold.

"Joy To The World" was sung in closing, followed by prayer by Mrs. Foster. An exchange of Christmas gifts after the meeting was enjoyed. Mrs. Deitz, assisted by some other members served lunch. The next meeting will be held at the home of Mrs. Bob Deitz.

PEACE ON EARTH, GOOD WILL TOWARD MEN

Take your Bible and see in the first few verses of Paul's and Peter's epistles if you can find fifteen times where "Grace" comes before "Peace." This is God's way.

There is no peace, saith my God to the wicked.

For the grace of God that bringeth salvation hath appeared to all men.

God was in Christ, reconciling the world unto himself.

Therefore, being justified by faith, we have peace with God through our Lord Jesus Christ.

He made peace through the blood of his cross.
